HTC Vive with hand controllers \$800usd

<http://www.vive.com/us/>

Oculus Rift no hand controllers Consumer Version \$600usd

<https://www3.oculus.com/en-us/rift/>

Oculus DK2 Developers Kit - Used on Ebay \$3-500usd

<https://www.oculus.com/en-us/dk2/>

note:

USB Extension Cables

We found that a 16ft. usb extension cable works just fine but a 20ft cable does not carry enough power and will not work. This is in addition to the 10ft cable coming directly out of the Oculus headset.
